AMERICAN HOUSE,
HANOVER STREET,
BOSTON.
THIS underground having entire-
ly been REBUILT and ENLARGED
the above elegant establishment,
containing all sorts of third-hand-
red and city rooms, would respect-
fully give notice that it was ready for the recep-
tion and accommodation of the travelling com-
munity.
An extended notice of the unimproved conven-
iences of this House is deemed superfluous, as the
numerous improvements which have been made
cannot be properly given in an advertisement—
no effort is made to no expense has been spared
to render my apartment perfect.
The furniture was made expressly to order, re-
ardless of cost, and certain portions of it, espe-
cially the Drawing room, will be found to be of
the most beautiful and tasteful manufacture. The
kitchen rooms are capacious, and the hours for
cooking will be so arranged as to suit the convenience
of the early and late.
Every department will be conducted in an unex-
ceptionable manner, and the Proprietor pledges
himself to the American House shall be the life of
the traveller's home.
